Baptist Health
FOUNDATION

We Believe

IN A HAPPIER
HEALTHIER
ARKANSAS

Baptist Health Foundation is the link that allows you to give happiness to those within your community, and experience the happiness that comes from giving. Whether it's food for a family in need, a hotel room for a family with a baby in the Neonatal Intensive Care Unit, a scholarship for a deserving nurse or technology that will revolutionize healthcare in Arkansas, each dollar we receive goes towards improving the lives of Arkansans. When you give to the Foundation, you give more than money. You give happy.

We need your gift to make amazing things happen. Every dollar we receive helps build healthier communities, and supports healing in all its forms. Join Baptist Health Foundation in providing amazing programs and care to those who need it most by making your tax-deductible donation today, and giving happy to the thousands of people we serve.

Healthy & Active Youth

Arkansans struggle with being overweight or obese, and for many, their weight-related issues began early on in life. The Healthy & Active Youth program helps Arkansas adolescents develop healthy habits at a young age and avoid the range of physical, emotional and mental issues that could arise from being an unhealthy weight as an adult.

The Baby Project

The Baby Project helps keep parents close to their babies by providing a free room at The Inn at Baptist Health for families that live 50 miles or more away from Baptist Health – Little Rock. Located across the street from the hospital, the hotel has four rooms designated for The Baby Project that provide a comfortable place to stay for over 100 families each year.

Give Fresh: The Power of Food

To combat Arkansas’s rampant hunger problem, volunteers assemble boxes full of fresh produce to be distributed to families in high-need neighborhoods. These families also receive education on healthy eating habits and how to continue to obtain nutritious food. Baptist Health Foundation also shares our resources and programs with those in need through our Mobile Kitchen Trailer.

Nursing Scholarships

Any nurse who wishes to pursue more education should have that opportunity, and through scholarships provided by Baptist Health and Baptist Health Foundation, many do. From a yearlong practical nursing certificate to a master’s degree, scholarships are offered to a wide range of deserving current and future nurses.
